GUESTS WILL BE SHOWN POINTS OF INTEREST.

Plans for a week's exhibit of Utah's products during the visit of the Knights Templar in this city on their way to the Coast were formulated last night at the meeting of the Real Estate association held at the office of President J. W. Houston. The exhibit will run from Aus. 28 to Sept. 5 at Utahna park, where the Knights Templar will be royally entertained by the association. The entire association will act on the entertainment committee, and the exhibit will be made as complete as possible in the short time left to prepare for it. It will be composed of all the products of the state, including an immense display of the minerals and manufactured articles.

The association has extended an invitation to the Knights Templar to visit the city, and representatives of the association will be sent to meet them on their way west at Grand Junction and Cheyenne to turn them toward Salt Lake. It is the intention of the association to decorate the city and conduct the visitors to the places of interest in Salt Lake City and its vicinity.

The association also authorized the committee appointed to secure a building for the information bureau and to have it in operation by the time the Knights Templar are to be entertained by the association. The first work to be done by the information bureau will be to get out a booklet setting forth the purposes of the association, its by-laws and membership and also explaining the advantages of investing in Salt bake real estate and other resources of the state.
